

Sumy State University
Student's Declaration of Adherence to Principles of Academic Integrity

I, _____
(student's surname, first name, patronymic/middle name)

(status – undergraduate, graduate, postgraduate; for undergraduate and graduate students –
institute (faculty), for postgraduate students – department)

I CONFIRM that in my educational and research activities I will adhere to the key principles and fundamental values of the "Academic Integrity Code of Sumy State University".

I PLEDGE:

- to adhere to the norms of the current legislation in the field of education, research and intellectual property;
- to comply with the corporate culture values and show due respect to the academic staff;
- to cite data sources properly while using borrowed information (ideas, statements, images, etc.);
- to carry out academic assignments as well as formative and summative assessments on my own;
- to provide truthful information regarding my academic (research, creative) work, research methods and data sources employed;
- to resist manifestations of academic dishonesty on the part of other students or university employees;
- to instantly inform the relevant university officials on cases of academic integrity breaches.

I AM FAMILIAR WITH the University policy regarding acknowledgment of my author's rights, impermissibility of plagiarism in my academic works and qualification papers, and give my consent to the following:

- checking my works for the signs of academic plagiarism by means of specialized software products;
- processing, locating and keeping my works in the public domain of SSU institutional repository;
- using my works to check other works for the signs of academic plagiarism solely to identify possible signs of academic plagiarism.

I AM AWARE that I will have to take responsibility for violating academic integrity and ethics and can be subjected to disciplinary sanctions in compliance with the Code, University regulatory framework and current legislation of Ukraine.
